AGENDA

1. Goal of the Meeting	Summary of events which led to the loss of the state allocation for Quad Co as Referees for the state finals
2. Pre-Season Assignor Meetings Summary	Ryan did not attend the pre-season Assignor meetings and did not respond to Brian Armes reminders either Devon reached out to WOA and Todd Stordahl – a meeting was done by the state board with Devon on an explanation for the missed meetings and a probation period was established. 1 Spot was also given back instead of the 2 spots originally given
3. Detail	Fri Aug 16th 9a-12 Wed Aug 21st 6-9p Both missed meeting times Other meetings for a total of 5 opportunities were missed “I didn’t go to the meeting. So we don’t get any spots.” 45min – 1hr in meeting with Stordahl and executive committee

<p>4. Ryan Response</p>	<p>-I did miss the meeting ... I intended to attend the follow up meeting but it was rescheduled and it then slipped my mind -Todd has rescheduled the follow up meeting since I was in court as it was from 9a-12p - I haven't missed any other meetings and have been assigning for a very long time - I didn't know someone else could attend in my place - 100s of emails, respond to every AD, fill all my games, I did drop the ball on this but it is an outlier. - I get lots of emails in a day so why didn't you just pick up the phone and call? (directed to Devon) - Michael – Wednesday meetings they only talk about football and have always been a waste of time. Also, this has been the only time that a probation has been given out. - Ryan – It doesn't seem like Todd has our back and these meetings are not very helpful to us</p>
<p>5. Q&A</p>	<p>No questions Comments: Beth – Thank you for sharing your thoughts Michael – I understand the wastefulness of the meetings that WOA puts on Matthew – No Comment Nick – No Comment</p>

Next Meeting: Follow up meeting to share findings will be shared with the Board and Ryan (Devon will communicate date and time)
